COMMUNITY OBSESSED

We embrace our role as stewards within the community and are committed to providing impactful, world-class experiences that engender loyalty to the Utah Jazz.

MAIN SEASON INITIATIVES

This season, the Utah Jazz will highlight six major season initiatives—Hispanic Heritage, Civic Engagement, MLK Jr. Day, Black History Month, Women's History Month, and Pride. Each initiative will have unique programming in the community and at Delta Center. Details will be released ahead of each initiative's launch.

In a nod to their shared commitment to community, the Jazz and Delta reconstructed and updated the 20-year-old basketball court at Liberty Park, which is located less than three miles southeast of Delta Center. Unveiled in July, the basketball court will be a year-round resource for youth, families, community members, and visitors featuring a new perimeter fence, seating area, and gathering space.

The Utah Jazz partnered with Gallagher to present the Special Olympics Utah Unified Tournament. The fourth annual tournament will bring in hundreds of athletes in an all-day basketball tournament for kids of all ages.

Utah Jazz Most Valuable Educator, presented by Instructure, invites the Utah community to nominate local educators, in either K-12 or Higher Ed, who are making an impact in their schools and communities by inspiring the lives of their students. Ten winning teachers across the state are recognized at a Jazz game along with a classroom visit from Jazz Bear, a personalized Jazz jersey, and \$1,000 grant to go towards their classroom.

Her Time is a Jazz community initiative that supports girls and young women in sports. The program includes clinics and sporting events to help girls feel confident and empowered. The Jazz also host events such as "Her Time to Lead", where women share their stories and insights on how to champion change for women and girls in sports.

Prior to his time in Boston, Hardy spent a total of 11 seasons with the Spurs, five as an assistant coach. He served as the team's video coordinator from 2013-15 and as the head coach of the Spurs' summer league team in Utah from 2015-18 and in Las Vegas in 2017 and 2018.

The Williams College graduate began his career in San Antonio as a basketball operations intern in 2010 before being promoted to assistant video coordinator in 2011. He was an assistant coach for Team USA's gold medal victory over France at the 2020 Summer Olympics and served on the coaching staff for Team USA at the 2019 FIBA World Cup.

While at Williams College, Hardy was a member of the Ephs basketball squad that finished 30-2 and second nationally in 2010. The Richmond, Virginia, native has two daughters, Elliott and Pierce.

COLLEGIATE TIES

Hardy competed collegiately at Williams College (2006-10)—a small Division III liberal arts school located in Williamstown, Massachusetts. His relationship with the former Williams Athletic Director, Curtis Long, helped him land an internship with Gregg Popovich and the San Antonio Spurs.

During his time at Williams, Hardy's affinity towards coaching and natural ability was easily recognizable. Long saw his potential, and when Popovich—Long's friend and former Pomona-Pitzer College teammate—reached out, Long immediately recommended Hardy to join his staff.
