MAKING A STATEMENT

The Wizards unveiled their new Statement Edition uniform for the upcoming 2024-25 season which is inspired by the Washington, D.C. flag and embodies what makes D.C. unique.

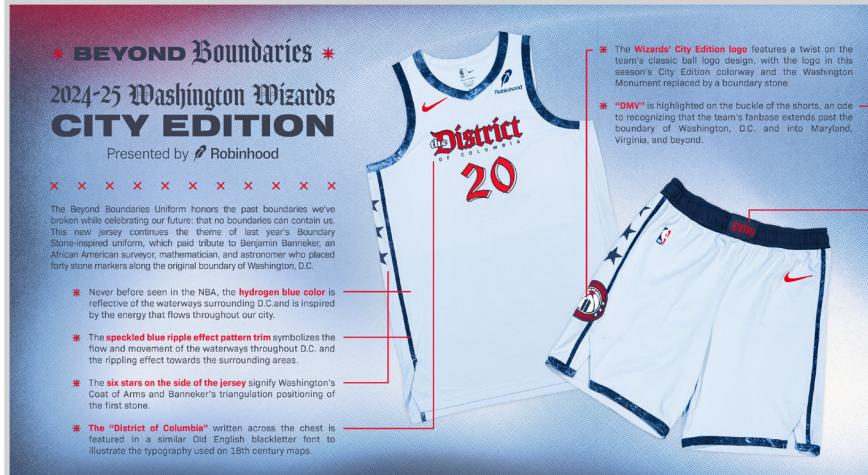

The jersey highlights include the Washington, D.C., flag constructed into both the jersey and the shorts with the phrasing "The District of Columbia" marking the front of the jersey. Additionally, the Washington Monument logo is featured on the left leg of the shorts while an asymmetrical Washington, D.C., flag is applied to the right short leg.

Additionally, the Washington Wizards recently unveiled their City Edition uniform which will debut on Dec. 5, when the team hosts the Dallas Mavericks.

This new jersey continues the theme of last year's Boundary Stone-inspired uniform, which paid tribute to Benjamin Banneker, an African American surveyor, mathematician, and astronomer who placed forty stone markers along the original boundary of Washington, D.C. The uniform features a hydrogen blue base, accented with blue and red, and a blue ripple effect on the trim, reflecting the waterways surrounding our city. The hydrogen blue color, inspired by the energy that flows throughout our city, has never appeared on an NBA uniform before.

The uniform also features six blue stars on the side of the jersey. Three of these stars signify Washington's Coat of Arms and the remaining three are a tribute to Banneker's triangulation positioning of the first stone. The red found in the Beyond Boundaries jersey represent the current Wizards jerseys. The team will also unveil a City Edition thematic court which will be used concurrently with the team's City Edition jersey games.

2024-25 WIZARDS OFF-COURT STORYLINES

WORLDWIDE WIZARDS

In July, the National Basketball Association announced that Washington would participate in the 10th edition of The NBA Canada Series presented by Bell, featuring a preseason game between the Toronto Raptors and the Wizards at the Bell Centre in Montréal, QC on October 6, 2024 with Toronto claiming a 125-98 victory. The game also marked the second time the two teams have faced off for a preseason game in Montréal with the first occurring during the 2015 preseason when Toronto came away with a 92-82 win.

Washington's roster features three French speaking players in French National Team member Bilal Coulibaly, Bordeaux, France native and the 2024 NBA Draft second overall pick Alex Sarr, and Swiss-Canadian rookie Kyshawn George (2024 NBA Draft No. 24 overall pick).

Since 2012, the NBA Canada Series has featured 15 teams playing 18 preseason games in front of more than 335,000 fans across six cities, with this year's contest slated to be the eighth NBA Canada Series game played in Montréal, the most games played in any Canadian city outside of Toronto.

In addition to the preseason game in Montreal, the NBA announced on June 14 the Wizards would be slated for a regular season international matchup with the Miami Heat in Mexico City on Nov. 2 which saw the Heat defeat the Wizards 118-98.

The NBA Mexico City Game 2024 marked Washington's fourth trip to Mexico City and first for a regular season match-up (two games in 1995, one game in 2000 – all exhibitions). The Wizards' last international trip for a regular season contest came in 2019, when the team faced the New York Knicks in London.

The contest also marked the league's 33rd game in Mexico since 1992 – more than any country outside of the U.S. and Canada – and coincide with traditional "Día de los Muertos" (Day of the Dead) celebrations locally. The "Dia de los Muertos" theme was showcased as part of a variety of in-arena activations during the game, including a specially themed basketball court, and through the league's fan engagement initiatives around the game. In addition to The NBA Mexico City Game 2024, the league and its partners conducted NBA Cares community outreach initiatives, Jr. NBA/Jr. WNBA youth basketball development programming, and interactive activities that engaged youth and fans in Mexico City.
