ASSIST MACHINE

Moving the basketball is the key to the Nuggets offense and that was on full display in front of a sold-out Ball Arena crowd on 1/1. The Nuggets used a big second half to cruise to a 139-120 victory over the Hawks, moving their record to 10-5 at home. Denver is the only team in the NBA this season to score 130+ points in four or more consecutive games and it is just fourth time it has occurred in NBA franchise history. They now have nine games this season scoring 130+ points (8-1), trailing only Memphis for most such games (10).

The story of the night was the assist numbers for Denver, finishing with 44 on 53 made field goals. It set a new season-high in assists and they became the second team this season to post 44+ assists in a game (New York tallied 45 vs. Denver on 11/25). So far, through 32 games, Denver is averaging an NBA leading 31.7 assists per game, the current NBA record is held by the 1984-85 Los Angeles Lakers, finishing 82 games with 31.4 apg.

TRIPLE DOUBLES ALL AROUND

The Nuggets came into Salt Lake City on 12/30, trying to win two games in Utah for the first time in franchise history. They did exactly that, using an all-around team effort but had huge contributions from Nikola Jokic, Russell Westbrook and Jamal Murray to take down the Jazz 132-121. Jokic led the way with 36 points, 22 rebounds, 11 assists and four steals in 38 minutes. Westbrook joined the triple double party, posting 16 points, 10 assists and 10 rebounds in 32 minutes for his second of the season. Finally, Jamal Murray rounded out the trio's big night by recording 20 points, 10 assists and four rebounds. A few other notes from the win:

- It was just the second time ever three Nuggets had 10+ assists in the same game. (Adams, Hanzlik, Lever on 2/4/88) and just the sixth time in NBA history.
- Jokic, Westbrook, & Murray are the first trio of teammates in NBA history to each record 15+ points & 10+ assists in game.
- Christian Braun had 20 points on 9-12 shooting, two rebounds and two assists in 36 minutes. He ended with 18 fast break points, the most by any player in the NBA this season.
- Westbrook is the second player in NBA history (D. Sabonis) to have a triple double while shooting 100% from the field and recording no turnovers.
- Four players scored 20+ points, the fourth time this season Denver had four 20+ scorers in the same game. Prior to this season the last time four Nuggets had 20+ was Feb 2022.
- The Nuggets had 76 points in the paint, the sixth time this season with 70+ (no other team has more than three games).

MURRAY ON ROLL

Jamal Murray has been playing some of his best basketball of the season as of late, and it continued at home on 12/28 vs. Detroit. Murray was effective from the jump, posting a season-high 34 points (12-21 FG, 4-7 3FG, 6-7 FT), five rebounds, five assists, one steal, and three blocks in 40 minutes, leading Denver to a 134-121 victory. Jokic joined Murray scoring 30+ points making it the first time this season two or more Nuggets players finished with 30+ points in a game. It was also just the third time in franchise history in which two Nuggets players had 34+ points, five rebounds, and five assists (English and Vandeweghe on 12/13/83 vs. DET/ Jokić and Murray on 1/19/24 at BOS).

It was Murray's first 30-point game of the season and his 200th career game with 20+ points. He is just the sixth player in franchise history to eclipse 200+ games with 20+ points, joining David Thompson (284), Dan Issel (399), Nikola Jokic (402), Carmelo Anthony (423), and Alex English (658). Over his last seven games, Murray is averaging 24.7 points on 48.1% shooting, 6.3 assists and 4.6 rebounds in 38.3 minutes per game.

CLIMBING IN THE WEST

After a week on the road, the Nuggets returned to the Mile High City on 12/23 to take on a Western Conference foe in the Phoenix Suns. Denver was able to put together a full game, leading from the first quarter on and won in blowout fashion, 117-90. It marked the team's third consecutive home win, the second-longest streak of the season after winning five games in a row from 11/2-11/10. A few more notes from the win:

- Nikola Jokić registered a game-high 32 points (12-17 FG, 4-6 3FG, 4-5 FT), two rebounds, and seven assists in 30 minutes ... It marks Jokić's 399th career game with 20+ points, tying Dan Issel for third-most in franchise history since the merger.
- Jalen Pickett finished with 11 points (4-11 FG, 3-8 3FG), three rebounds, eight assists, and one block in 23 minutes, posting a career-high in points, FGA, FGM, 3FGA, 3FGM, assists, and blocks.
- The Nuggets held the Suns to 24 points in the paint tonight, the fewest by a Nuggets opponent since 10/29/21 when the Mavericks had 22 ... Denver also held the Suns to the fewest points by an opponent in a fourth quarter (11) since 3/14/19.
- The Nuggets have shot 50%+ FG in six consecutive games ... Chicago has seven and are the only NBA team with a longer streak this season.

THE COMEBACK KIDS

The Nuggets have been winning games in comeback fashion as of late and it was the case again at New Orleans on 12/22. Denver trailed 93-81 going into the final quarter but held the Pelicans to 26 points, forcing overtime where they ultimately prevailed 132-129. Denver had 70 points in the paint, their fifth game this year with 70+ (the rest of the NBA has combined for just 15 such games). Nikola Jokic was also fantastic in the fourth and overtime, posting 13 points, four rebounds and three assists. He finished the game with 27 points on 11-20 shooting, 13 rebounds and 10 assists for his league leading 11th triple double.

Denver was down by as many as 17 in the third quarter, tying their largest comeback victory of the season. They Nuggets now have five wins this season when trailing entering the fourth quarter, tying the Orlando Magic for must so wins in the NBA.

TOTAL TEAM EFFORT

Denver was back home at Ball Arena on 12/13 and used an entire team effort to beat the Clippers 120-98. After 25 straight games of allowing 100+ points, it marked the first time this season the Nuggets have held their opponent under 100 points. Denver also got out on the run, having their most fastbreak points since 2/25/10 (39). Jamal Murray registered a team-high 20 points (8-16 FG, 2-5 3FG, 2-2 FT), five rebounds, three assists, four steals, and one block in 31 minutes, making it his seventh game this season with 20+ points.

For the first time all season, no Nuggets player had a negative +/- number. Also, no Nuggets player had double-figure rebounds, yet Denver was +15 rebounding.

REVITALIZED IN ATLANTA

After dropping a winnable game against the Washington Wizards the night before, the Nuggets responded well on the second night of a back-to-back, taking down the Hawks 141-111 on 12/8 to get back on the winning side of things. HEAD COACH MICHAEL MALONE

Michael Malone enters his 10th season as head coach of the Denver Nuggets. He was named the 16th head coach in Denver's NBA franchise history on June 15, 2015. He is now the fourth longest tenured coach in the NBA and currently ranks second all-time amongst Nuggets head coaches with 424 wins.

Last season saw Coach Malone led the Nuggets to a 57-25 record, tying the franchise record for most wins in a season. They clinched the number two overall seed in the Western Conference and playoff berth for the sixth straight year. Malone has helped lead the Nuggets to at least one playoff series victory in five of the last six seasons. Since 2018-19, Denver has nine playoff series victories, which doubles the franchise total for the previous 32 years. Malone has totaled 44 postseason wins, ranking him first all-time in franchise history for most playoff victories passing Doug Moe with 24.

Since Malone took over prior to the 2015-16 season, the Nuggets have seen the postseason on six occasions including an NBA Championship 2023 and two Western Conference Finals. The Nuggets are also second in the NBA, trailing only the Milwaukee Bucks for the most combined regular season and postseason wins in a six-year span with 342. Additionally, based on winning percentage, Malone has overseen five of the top ten seasons in NBA franchise history.

Malone has 463 victories as an NBA head coach and possesses over 27 years of coaching experience, 23 coming in the NBA with six different teams – New York, Cleveland, New Orleans, Golden State, Sacramento, and Denver. The teams that Malone has been a member of the coaching staff have amassed 14 playoff appearances, including two NBA Finals showing and four conference finals appearances. Malone and his staff have also been selected to coach two All-Star games, most recently in 2023 where he coached Team LeBron in Salt Lake City, UT, falling to Team Giannis 184-175.

Before joining the Nuggets, Malone served as the head coach of the Sacramento Kings for two seasons. Before his time with the Kings, Malone was the lead assistant for the Golden State Warriors under Mark Jackson from 2011-13 where they clinched a postseason berth in 2013, their first since 2007. Prior to Golden State, Malone worked as the lead assistant to Monty Williams in New Orleans and helped the Hornets achieve a 46-36 record and a trip to the 2011 NBA Playoffs. The Hornets were the most improved defensive team in the NBA in 2011, allowing a league-best 8.7 fewer points per game than in the previous campaign (94.0 ppg, after giving up 102.7 ppg in 2009-10).

Malone also served as an assistant coach under Mike Brown for the Cleveland Cavaliers for five seasons, during which the Cavs posted a 272-138 (.663) record, the third-best mark in the NBA over that span. The Cavaliers made five consecutive playoff appearances during Malone's time on the bench, reaching the NBA Finals in 2007 and the Eastern Conference Finals in 2009. In 2008-09, the Cavs notched a franchise record and NBA-best 66 wins, with Malone and the rest of the team's staff earning the right to coach the Eastern Conference All-Star squad. In 2009-10, the Cavaliers again captured the league's best regular season record with 61 wins.

Malone's NBA coaching career began with a four-season stint with the New York Knicks, where he originally joined Jeff Van Gundy's staff as a coaching associate in the summer of 2001, and was promoted to assistant coach in May 2003. Before joining the NBA, Malone coached seven years in the college ranks, with his last stop coming at Manhattan College where he was the lead assistant. During the 1998-99 season Malone worked at the University of Virginia as its director of men's basketball administration. Malone also spent three seasons (1995-96 – 1997-98) at Providence College under New York Basketball Hall of Fame coach Pete Gillen after beginning his coaching career working for Greg Kampe at Oakland University in Michigan.

Malone is a three-time participant in the NBA's "Basketball Without Borders" program, having coached at the league's global outreach camps in Africa (2017), Puerto Rico (2006) and Argentina (2005). In 2017 Malone traveled to Johannesburg, South Africa where he spent a week coaching at the BWB camps and then served as an assistant coach for Team Africa, for the NBA Africa Game 2017. Malone also served as an assistant coach for the Canadian Men's Senior National Team for three years. He helped guide the Canadian team to a top-four finish in the 2009 FIBA Americas

Championship in Puerto Rico, qualifying Canada for the 2010 World Championships.

A native of Queens, New York, Malone played college basketball at Loyola College in Maryland, where he graduated with a BA degree in 1994. He is a graduate of New Jersey's Seton Hall Prep where he played two years under Bob Farrell. Malone also played a season under Tom Blackburn at Worcester Academy (Mass.).

Michael is the son of longtime NBA coach Brendan Malone, who coached over 28 years in the league. He and his wife, Jocelyn, have two daughters, Caitlin and Bridget.
